

Does an applicant need to submit an ICES report?

YES:

If an applicant

1. completed a TCM/A education program outside of Canada
2. completed the two year university education requirement outside of Canada

then the applicant must arrange for ICES to provide CTCMA with a credential evaluation report.

NO:

There are a few exceptions - an applicant does NOT have to provide an ICES report to CTCMA if ... CTCMA previously ACCEPTED an application, i.e.

1. CTCMA accepted an application for student registration before December 2009 which included proof of 2-year university education.
2. CTCMA accepted an application to write a competency examination which included proof of TCM/A education completed outside of Canada

Does an applicant need to fulfil the requirement of 2-year university education?

YES in most cases.

NO ... if..... there are a few exceptions:

for example, if an applicant is

1. retaking the competency examination, or
2. currently a CTCMA full or grandparented registrant

the applicant does not have to provide proof of two years university education.
