

Announcement

The Dr.TCM Safety Examination will be retired effective on **April 11, 2022**.

As the Entry-Level Occupational Competencies required for safe practice for Registered TCM Practitioner and Doctor of TCM are the same, the Education and Examination Committee retires the current Dr.TCM Safety Course and Examination. Applicants to register as Doctors of TCM with the College are required to provide evidence of their successful completion of the safety course and examination as TCM Practitioners.

Effective today, the Safety Examination required to satisfy the registration requirements are as follows:

	EXAMINATIONS REQUIRED	
	Acupuncture Safety	Herbology Safety
To become R.Ac.	X	
To become R.TCM.H		X
To become R.TCM.P	X	X
To become Dr.TCM	X	X
